DO No. L-21021/5/2022-PH(IH)

Dear *Nodal Officers of YFVC,*

It has come to the notice of the Central International Health Division (CIHD), Dte. GHS, MoHFW that Yellow Fever Vaccination Centres are receiving repeated requests for administering the vaccine at locations other than their designated authorized vaccination centers, to lend, or provided to any other institutions with a request to administer the Yellow Fever Vaccines themselves.

2. To reiterate, the administration of the Yellow Fever vaccine must strictly adhere to the provisions outlined in Annex 6 & 7 of the International Health Regulations (2005) and D. O. No. L-21021/30/2023-CIHD issued by the Secretary of Health, MoHFW, GoI on 20th April 2023. This vaccine should be administered exclusively at authorized vaccination centers and must be carried out under the supervision of a trained clinician, medical practitioner, or authorized health worker. The Yellow Fever Vaccination Guidelines issued by MoHFW, GoI must be strictly adhered to without exceptions.

3. The list of authorized centers for Yellow Fever vaccination and information on vaccination procedure is available at <https://ihpoe.mohfw.gov.in>.

4. Any such requests for administering the vaccine elsewhere should be politely declined, and Information, Education, and Communication (IEC) should be provided to the concerned parties, clarifying that YF vaccinations are to be administered solely at authorized Yellow Fever Vaccination Centers (Para 3). These centers are equipped with the necessary facilities for screening, providing instructions, monitoring post-vaccination adverse events following immunization (AEFI), and preparing the vaccination card in accordance with the International Health Regulations (IHR-2005). It's emphasized this ensures that vaccinations are carried out under the best conditions, adhering to the required standards of safety and efficiency.

Strict compliance is to be ensured from all Nodal Officers of authorized Yellow Fever Vaccination Centers (YFVC).

With Best Regards

S. Senthilnathan
21.07.2023
