RTI Third Party Audit Summary Report 2022-23

Date: 9-10-2023

Name of the Institute / Organization: Airport Health Organization, Mumbai

Based on submission of self-appraisal report by the Public Authority of the said Institute/Organization, NIHFW carried out the Transparency Audit under Right to Information Act 2005 [section 4(i) (b)]. The aim of the Transparency Audit / Third Party Audit (TPA) is to make a thorough assessment on Suo-Moto disclosure of information by the Institution/ Organization in its Website as per guidelines of Central Information Commission (CIC). The following are the observations and the recommendations.

Score of the PA after Self-Appraisal : 690

Score of the PA after the Third Party Audit : 228

1. PA is requested to develop a proper website at first.
2. The information provided is very less so need to provide budget related information, rules, regulations, instructions, manuals, records, transfer policy, third party transparency audit information, complete information about committees and PPP...etc. in detail in order to follow suo moto disclosure under section 4 i b.
3. PA is requested to look into the Section-wise requirements of Grading ("**Partially Met**" or "**Not met**") given by the TPA. In order to improve the grading, an appropriate action should be taken by the PA to achieve "**Fully Met**" grading.
4. Grading of "**Not Applicable**" should be used judiciously.
5. Action should be also taken for STQC certification for the Website of Airport Health Organization, Mumbai.

Section wise desired information should be placed under RTI on the website so that Pubic can easily access the desired information.
